instructions continued on page 2

## STATE RALLY REGISTRATION GUIDELINES

- Saturday afternoon Kathie Palazzolo will be sharing a brief devotion followed by a workshop on how to create an acrylic painting on canvas. You do not have to have any experience to participate and you will be amazed at what you will create. It will be a small painting so that you can get it home without a problem. The cost is \$15/person and you must pre-register for this activity so that we can purchase and bring the supplies.
- One registration form per household. Include the name of everyone attending the event (i.e. spouse and children). If you are bringing a friend or relative, please have them complete a separate registration form. We must have the current address for everyone attending the event as we are required to submit this information to CMA National.
- Be sure to include your CMA number(s) and your chapter name.
- Family package - This is for children and a maximum of 2 adults. To be eligible, adults and children must be in the same household and you must be parents or a legal guardian.
- Camping on the fairgrounds includes tents, cars, trucks, trailers or RV's. You have an option of dry camping or use of electricity and/or water. There is a dump station at the fairgrounds if you do not stay in the RV park. Please pay for all nights through registration.
- RV Park - Full hook up is available at RV Park next to fair grounds. Please pay for all nights through registration (Thursday, Friday, Saturday or Sunday). Just let the RV park host know that you are with the CMA group and we will issue one check for all nights. The volunteers at the registration table will give you your ribbon when you check in which should be attached to your vehicle showing that you have paid.
- Please check your addition before writing your check to avoid overpayment or underpayment. The facility fee is a one-time charge per person (under age 18) for the entire event and must be included with the payment. Please write legibly. **NO Refunds will be given on Pre-registration fees.**
- Chapters and individuals may sell Run for the Son fundraising items in the main building. There will be a limited number of shared tables and you are responsible for your own items, cash collection, etc.
